

Online Course Login Procedure

To begin taking USATT online courses you will need to access or create your user login. You may login to your learning dashboard using your Simply Complete email (see pg. 1). If your email is not on file you will need to create an account (see pg. 2). Account access instructions are as follows:

Simply Complete User Login

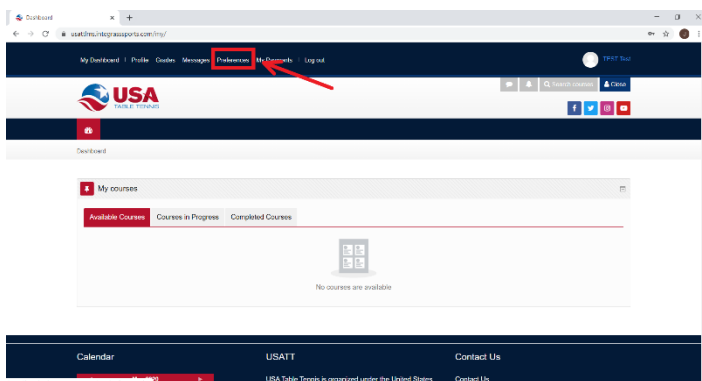

1. To log in with your email on file from Simply Complete go to <https://usattlms.integrasssports.com/index.php?> Click the “login” button on the top right corner.

2. There will be a login dropdown at the top of your screen.

3. Enter the email you use to log into Simply Complete, then enter your temporary password: {A^dm3#(and click “login.”

4. Once in your dashboard click your name in top right corner of the screen. Proceed by clicking “Preferences” in the dropdown menu at the top of the screen.

5. On the next screen click the “change password” option.

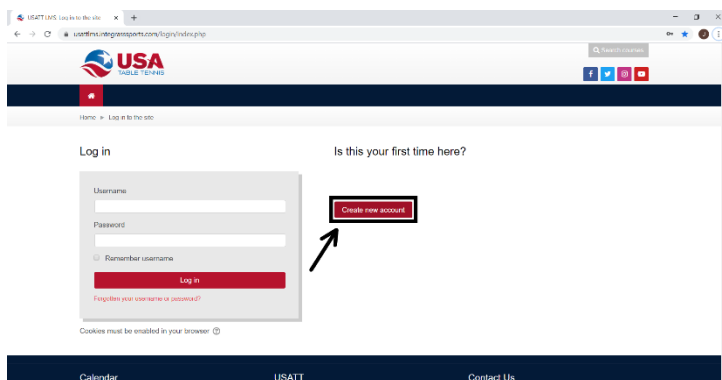

6. In the current password field, enter the temporary password: {A^dm3#(

7. Enter your new password in the next two fields and click save changes.

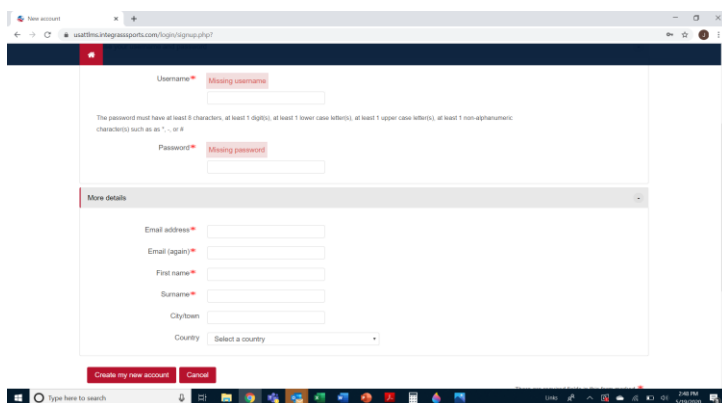

Create a User Login

1. Go to <https://usattlms.integrasssports.com/login/index.php>. To create a login Click the “Create new account” button on the right side of the screen.

2. Fill in all the required fields and click the “Create my new account” button at the bottom of the screen. All fields must be filled in correctly to create your new account.

3. An email should be sent to your address containing instructions to complete your registration. Click the “continue” button.

4. Check your email inbox or spam/junk folder for the confirmation email and follow the provide link.

5. The link will open in your web browser, clicking “continue” will complete your registration and take you to your account dashboard.

Please contact josh.dyke@usatt.org with any login or account creation questions.
