United States Table Tennis Association, Inc.

We have audited the accompanying statement of financial position of United States Table Tennis Association, Inc. as of December 31, 2006 and the related statements of activities and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Association's December 31, 2005 financial statements and, in our report dated April 21, 2006, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United States Table Tennis Association, Inc. as of December 31, 2006, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of program services and of supporting services for the year ended December 31, 2006 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

For the Year Ended December 31, 2006

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

United States Table Tennis Association, Inc. is the national governing body for the sport of table tennis, making it responsible for the conduct and administration of amateur table tennis in the United States.

The Association qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not subject to federal income taxes. The Association is not a private foundation.

Inventory

Subsequent to December 31, 2005, the Association no longer carries inventory. Items previously recorded as inventory consisted of promotional items and tournament apparel used for specific events. These items retain little or no value after a tournament has expired, therefore, the Association expensed all merchandise purchased to the benefiting program or event.

Accounts Receivable

Accounts receivable are stated at the amount the Association expects to collect from balances outstanding at year-end. Based on the Association's experience with individuals and entities having outstanding balances, it has concluded that any losses on balances outstanding at year-end will not be material. Therefore, no allowance for doubtful accounts is considered necessary.

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities, and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Notes to Financial Statements

In April 2002, the Association purchased an undivided interest in a building as tenants in common with the National Archery Association of the United States, United States Fencing Association, United States Team Handball Federation, and United States Field Hockey Association, Inc. The purchase of the building was made possible by a grant in the amount of \$25,500 from the El Pomar Foundation and a grant of \$91,800 from the United States Olympic Committee. A condition of the El Pomar grant is that if the Association relocates outside of El Paso County within the next 15 years, it will forfeit to the remaining tenants in common that portion of its interest paid for with El Pomar grant monies.

The Association, in conjunction with the other tenants in common, has opened a checking account in which they are contributing funds for utilities, repairs and maintenance to the building. The Association's share of the building is being depreciated over a 40-year life, using the straight-line method of depreciation.
