As part of our mission to provide the most comprehensive, up-to-date and safety oriented instructors program we have included the requirement that all instructors be certified in CPR and First Aid. Instructors may contact their local Red Cross Organization and inquire about certification in the following areas:

First Aid: Learn how to respond to common first aid emergencies, including burns; cuts; head, neck and back injuries and more. Pediatric option available.

CPR/AED Learn how to respond to cardiac and breathing emergencies in adults, including the use of automated external defibrillators (AED). Adult and pediatric options available.

We will accept any Nationally Recognized CPR Certification program.

Once You Are Certified-

Make a copy of your certification card or diploma and send to USAR, 1685 W Uintah, Colorado Springs, CO 80906 Attn--USAR-IP program or scan and send to Peggine@usar.org.
